PBA of NYS Responds to Dallas Shooting

PBA offers support and prayers to officers and family members of slain officers.

Statement attributable to Peter Barry, PBA of NYS president.

"Naturally, we are stunned and saddened by the tragic events that unfolded last night in the city of Dallas. The Police Benevolent Association of New York State sends our heartfelt thoughts and prayers to the families of the five police officers who died courageously in the line-of-duty, protecting the citizens of Dallas.

We support the good work our brothers and sisters of the Dallas Area Rapid Transit Police Department and the City of Dallas Police Department do every day, and under the most stressful of circumstances. We stand vigilantly, and pray for the full recovery of those police officers and civilians who were injured in last night's senseless attack."

The PBA of New York State is the exclusive bargaining agent for the New York State University (SUNY) Police, the New York State Environmental Conservation Police, the New York State Park Police, and the New York State Forest Rangers. Our members police and protect New York State's public universities and colleges; state parks and historic sites; and they enforce state laws and protect our lands and forests and ensure environmental safety and quality throughout the state.
